Champagne Escape Cres Island Boat Tour

Jul 20, 2026 10:00 AM - Jul 20, 2026 4:00 PM

Escape from everyday life and spend a relaxing day in a bay on the beautiful island of Cres, where nature remains untouched, peaceful, and authentic.

On board the traditional wooden boat Tornado Blue, we cruise across the Kvarner Bay to a hidden pebble bay with crystal-clear water. Pure relaxation awaits you there: step directly from the boat into the turquoise sea using the ladder, enjoy a refreshing swim, and then relax on the comfortable sun loungers on board. An Aperol Spritz or a glass of sparkling wine enjoyed in the water, together with the soothing sound of the waves, makes this moment truly special.

Those who wish can experience the healing power of the sea through a natural thalassotherapy treatment, a gentle sea salt scrub, or a relaxing hot stone massage using sun-warmed stones.

Far away from crowded beaches, we enjoy the freedom of the sea, share beautiful moments, and let time slow down. Above the boat, you may even spot the rare griffon vultures that inhabit the island of Cres.

Please bring your own sun protection and water shoes to ensure a comfortable and enjoyable day at sea. This tour includes swimming from the boat. We anchor in a sheltered bay, and entry into the sea is via the ladder on the side of the boat.

Kvarner from Above - discover Trsat, Kastav & Veprinac

Jul 23, 2026 9:00 AM - Jul 23, 2026 2:00 PM

Excursion with Barbara – a beautiful panoramic drive above Kvarner Bay to Trsat (138 m), Kastav (377 m) and Veprinac (519 m), including guided sightseeing.

Join us on a journey through three unique places perched high above the sea, captivating visitors with their history, charm and spectacular views.

On our way, we pass through the centre of Rijeka and discover numerous landmarks, while Barbara shares fascinating stories and insights into the city's past and present.

We begin our excursion in **Trsat**, one of Croatia's most important pilgrimage destinations and home to the country's oldest Marian shrine. The Franciscan monks continue to preserve valuable sacred treasures here. Towering above Rijeka is the impressive Trsat Castle, whose walls offer breathtaking panoramic views of the entire bay.

We then continue to **Kastav**, situated on a 377-metre-high karst hill and still surrounded by a completely preserved medieval town wall with nine towers. This historic town uniquely combines culture, history and nature. Its winding streets resemble an open-air gallery while offering views of the "green sea" of centuries-old forests surrounding Kastav.

The final town on our excursion is **Veprinac**, one of the oldest settlements in the region, which has watched over Kvarner Bay from its 519-metre hilltop for centuries. The picturesque town owes its name to the butcher's broom plant (*Ruscus aculeatus*), a typical Mediterranean species that grows in the surrounding forests. The area is also renowned for its wild asparagus, whose rich flavour makes it a highly prized spring delicacy.

The town's landmark is the Parish Church of St. Mark with its distinctive bell tower. Just outside the town gate stands the small Church of St. Anne, featuring remarkable 15th-century wall paintings. A stroll through the narrow medieval streets feels like stepping back in time.

During the excursion, we will also enjoy a relaxed lunch break, giving you plenty of time to dine individually and soak up the local atmosphere.

Non-slip footwear is recommended.

Meeting point: Hotel lobby

Registration: At the reception desk

Participation: 79,00 € per person (minimum 5 pax)

Additional costs: Entrance fee to the Trsat town walls: approximately €1.50–€3 per person.
