WEEK OF YOGA WITH KATRIN OBERRAUNER

Integral Yoga for holistic relaxation and strengthening.

Through flowing body and breathing exercises, accompanied by yogic contemplations from Integral Yoga, both body and mind are specifically strengthened and relaxed. By creating a conscious balance between Sukham (relaxation) and Stiram (strength), stress and tension are released. This allows Prana (life energy) to flow freely again, supporting the body's regeneration and bringing inner calm and clarity.

Always treating one's own body with kindness and respect, these yoga sessions aim to help participants rediscover their natural rhythm and reconnect with themselves through ease and joy in movement.

Integral Yoga offers variations of the exercises, making the sessions suitable both for beginners and for those who practice yoga regularly.

Instructor: Mag. Katrin Oberrauner

Katrin Oberrauner is a certified Hatha and Integral Yoga teacher, dance educator, and facilitator of systemic coaching and constellations. She completed her education in Austria and India. Her yoga approach is based on conscious movement, harmony of body and mind, and creating space for personal growth and inner balance.

Perched high above the sea, **Labin** is one of the most beautiful historic towns in Istria.
