MOTOVUN & ROČ Experience

May 27, 2026 9:30 AM

Discover the hidden treasures of Istria!

Interesting, educational, and entertaining – every excursion with Barbara is a unique experience. With great enthusiasm for her homeland, Croatia, she shares the beauty of the country and creates unforgettable memories.

The first stop is **Roč**, one of the oldest and best-preserved medieval towns in Istria, known for its Glagolitic heritage, historic stone gates, and the unique atmosphere of the Istrian hinterland.

The journey then continues to **Motovun**, an impressive hilltop town situated 277 meters above the Mirna River Valley, surrounded by medieval walls and breathtaking scenery. The damp and mysterious Motovun Forest at the foot of the town hides one of Istria's greatest treasures – the famous truffles. At the same time, some of the region's finest vineyards thrive here, producing high-quality wines such as Malvasia, Teran, and Muscat, offered by renowned winemakers including Tomaz, Roxanich, Fakin, and many others. Like a fairytale town, Motovun rises above this unique landscape. The town walls, which protected Motovun for centuries, are now part of a scenic promenade offering spectacular views of the rolling hills of northern Istria and the Mirna River flowing below.

After the guided tour, enjoy free time in Motovun or take part in a wine tasting at **Tomaz Winery**, featuring three wine varieties and a cold platter for 29,00 € per person. The tasting is paid directly on-site and must be requested when booking at the reception. Availability is subject to confirmation based on free capacity.

The excursion is conducted with a driver and a tour guide (2 staff members), in small groups with a personalized approach.

Bookings are accepted until 4:00 PM one day before the excursion.

Meeting point: Hotel lobby

Registration: At the reception desk

Participation: 89,00 € per person (minimum 5 participants).

If there are fewer than 5 participants, the excursion can still take place, but the price will be adjusted accordingly

Additional costs (optional):

Entrance fee to the Motovun town walls: approximately 3.50–5,00 € per person (both payable on-site)

Leisurely hike along the Carmen Sylva forest trail above Opatija with Barbara

If you want to wander through one of the most beautiful laurel forests in the Mediterranean, come along! Barbara will guide you and share the interesting and romantic story of how the trail came to be and why it is named after the first Romanian queen. For guests who prefer not to walk the approx. 20–30 minute uphill climb (about 140 m altitude gain), there is a hotel shuttle to the promenade. The meeting point is at 10:50 in the hotel lobby. You will be driven to Pobri (the starting point of the Carmen Sylva promenade), where Barbara will be waiting for you and the others. Those who want to walk with Barbara from the hotel to the promenade should meet at 10:30 in the hotel lobby. Please wear comfortable shoes and clothing. Nordic walking poles can be borrowed free of charge at the reception upon request.
